

SHORT REPORT ABOUT THE  
'CREATIVITY – THEORY AND PRACTICE (2021)' INTERNATIONAL  
INTERDISCIPLINARY ONLINE CONFERENCE

The CREATIVITY – THEORY AND PRACTICE (2021) Interdisciplinary Online Conference was held on 11 December 2021 by international cooperation of Italian, Hungarian, Slovakian, Serbian, and Romanian organizations. The conference committee members and their organizations that delegated them were the next:

The head of the committee was Mező Ferenc (Ph.D., President of the Kocka Kör Talent Development Association, HU)

The members of the committee were:

- Mező Katalin (Ph.D., Executive director of K+F Stúdió Kft., HU)
- Pusztai Gabriella (Dott.ssa., Project coordinator of IAL Toscana, IT)
- Kozma Gábor (Ph.D., Rector of Gál Ferenc Egyetem, HU)
- Kozma Gábor (Ph.D., Main Director of Szeged-Csanádi Egyházmegye Gelsey Vilmos Pedagógiai Intézete, HU)

- Horák Rita (PhD., Vice Dean of the Újvidéki Egyetem Magyar Tannyelvű Tanítóképző Kar, RS)
- Balla István (RNDr. PhD., Vice Dean for International Relations and Development of Univerzita Konštantína Filozofa v Nitre, SK)
- Gál Katalin (PhD., Delegated Member from Partiumi Keresztény Egyetem, RO)

More than 200 people of the above five countries participated in the event, and all of the 100 presentations (among 54 online oral presentations and 46 poster presentations) were in relation to creativity. A part of them focused on the research of creativity, and other presentations were a kind of creative product.

Media supporters of the conference were the next interdisciplinary journals (its common website is: [www.kpluszf.com](http://www.kpluszf.com)):

- OxiPO

- Artificial Intelligence (its original Hungarian title is: Mesterséges intelligencia)
  - Psychology and Warfare ((its original Hungarian title is: Lélektan és hadviselés)
- The next "Creativity - Theory and Practice" conference will be realized in December of 2022.
