

Author's declaration

As the corresponding author of this manuscript, I confirm that this manuscript is an original work and the own product of the author(s). This paper has not been previously published and is not currently under consideration by another journal.

I confirm that there are no known conflicts of interest associated with this publication, and there has been no significant financial support for this work that could have influenced its outcome.

I confirm that the manuscript has been read and approved by all named authors and that there are no other persons who satisfied the criteria for authorship but are not listed. I further confirm that all of us have approved the order of authors listed in the manuscript.

I confirm that AI-assisted technologies may have been used solely for the purpose of language editing, improving clarity, readability, and linguistic quality of the manuscript. The use of generative AI tools to create new content, including text or images, has not occurred.

I further confirm that all statements made in this declaration apply not only to the originally submitted manuscript, but also to all subsequent versions submitted during the review process.

I understand that the corresponding author acts as the sole contact with the journal throughout the editorial process, including direct communications with the editors. I am responsible for communicating with the other authors about progress, revisions, and the final approval of proofs. I confirm that we have provided a current, correct email address of the corresponding author.

I agree that if and when the article is accepted for publication by the journal, the first publication rights will automatically be transferred to the journal. I permit the journal to apply a DOI to the article and to archive and index it in its databases.
